

MARKING & MEASURING TOOLS

Made of stainless steel, fully heat-treated, photographically etched graduations. Hard chrome finish, unreflective. S-Polished finish, reflective.

Note:

6" - 36" w/conversion table.
60" - 78" w/o conversion table.
150 - 1000mm w/conversion table.
1500 - 4000mm w/o conversion table.

S302J, S102J only reflective type which is available.
101 with red numerals.

(Grade 1)Tolerance on length(mm)
500max ± 0.15
over 1000+1500 ± 0.20
over 1500+2000 ± 0.30

The value of tolerance are based on $\pm (0.10 + 0.05 \times \frac{L}{500})$ formula

Packing: Each piece in a vinyl bag.
